

KAISER PERMANENTE®

## PRACTICE MEDICINE IN BELLFLOWER

Kaiser Permanente's Bellflower Medical Center is a full-service medical center that provides several specialty programs and tertiary services for other Kaiser Permanente medical centers.

The 354-bed medical center includes one of the largest surgical programs in the Southern California region, as well as the largest NICU with 40 beds. Nearly 330 staff physicians and a support staff of 3,000 represent all major specialties and almost all subspecialties.

Many of our physicians enjoy teaching appointments at leading Southern California university medical centers, including the University of Southern California; the University of California, Los Angeles; and the University of California, Irvine. In addition,

a number of our physicians are actively engaged in ongoing research and are regularly published in medical journals. An emphasis is placed on continuing education and peer consulting and interaction.

Supported by medical offices in Downey, Whittier and Cudahy, Bellflower Medical Center serves approximately 286,885 Kaiser Permanente members. The medical center is part of the Tri-Central Service Area that includes the Baldwin Park and Harbor City medical centers.

The Bellflower Medical Center is a regional center for high-risk Obstetrics/Gynecology, Neonatology and Plastic Surgery cases. The center also has affiliated residents in various specialties, including Obstetrics/Gynecology, Emergency Medicine, Urology and Plastic Surgery.

Bellflower is located approximately 12 miles south of Los Angeles, with easy freeway access, allowing

our physicians to live in and commute from prime residential areas in both Los Angeles and Orange counties.

Cultural attractions include the Cerritos Center for Performing Arts, the Los Angeles Music Center, the Greek Theater, Verizon Amphitheater and the Los Angeles County Museum of Art. Sports fans can

enjoy Arrowhead Pond, home of the Mighty Ducks of Anaheim; Edison Field and Dodger Stadium; and the Staples Center. The Bellflower Golf and Tennis Center, Lakewood Country Club, Los Amigos Country Club and Rio Hondo Country Club in Downey are also located nearby.
